

TWO POCKET FOLDER, NO SLITS

A Division of UPG

full bleed →
cut line →
safety →

BACK

FRONT

If you have artwork that goes all the way to the edge of the folder, please extend artwork to the **green** boundary to account for bleed.

Any image or text inside the **green** shaded area will be cut off.

Any valuable information such as text or logos should be within the **red** safety area on all sides.
